

# Getting Started with Blackboard Classroom

This orientation course will introduce you to the Blackboard Classroom Suite and provide a general overview of several key features of the Blackboard Classroom solution. The goal of this course is to help you understand what components are included in the Blackboard Classroom Suite, introduce you to those components, and define key terminology. Upon completing this course, you'll be ready to begin taking the in-depth Blackboard Classroom online courses that are available to your organization as part of your Blackboard Classroom training package. This course is not facilitated.

## WHO CAN BENEFIT FROM THIS COURSE

- Site administrators, teachers, course builders, and trainers who are new to Blackboard Classroom.

## WHAT YOU WILL LEARN

- Describe what the Blackboard Classroom Suite is and what it includes.
- Identify the key components included in the Blackboard Classroom Suite.
